

## Wasatch County Council Agenda Item

### Staff Report

**Subject:** Discussion & direction of a joint meeting with Heber City Council on annexation requests of nearly 4,000 acres east of Heber City and in the North Village

**Background:** At the special meeting in the last week of October, Wasatch County considered feedback to Heber City on the potential changes to their annexation policy plan that would impact a significant addition to Heber City on their current eastern border. From that meeting, a joint meeting was coordinated. Wasatch County will discuss with Heber City representatives the best model for coordinating on impacts of proposed developments on county-wide resources and feasibility.

Additionally, Heber City has issued a request for Wasatch County to consider authorizing an unincorporated island in the North Village associated with the Harvest Hills annexation.

**Recommendation:** Motion providing direction to county staff on next steps for coordination & consideration of the Harvest Hills annexation

**Fiscal Impact:** TBD

**Presenter's Name:** Matt Brower & Dustin Grabau

**Requested Duration of Presentation:** 30 minutes
